
Kukueva Svetlana / paintings.

Svetlana was born in the city of Ulyanovsk,
but the life decided that she should live in Novorossiysk, at the Black Sea.
She was lucky there to find her love, give birth to her daughter and become an Artist.
She is happy to have fulfilled all my main dreams.

Svetlana travels a lot, paints in the Caucasian mountains, Italy, Montenegro and, of course, Russia.
She created her own workshop for art.
Her husband and daughter support her and are proud of her success.

Svetlana’s own style is in her color and composition,
which she gained through numerous painting in the open air.
Her flowers attract by their tenderness.
Looking at her seascapes one can feel the enchantment of the Black Sea
and the glory of the Mediterranean Sea.
Ancient streets of Southern European cities keep unsolved mysteries.
The colorful oriental world is in her sketches,
which she made while travelling in the Far East.

Creativity, energy and love for art T
all these help Svetlana find new themes and transfer them onto the canvas.
