
Transfiguration - marquetry by Nikolay Serov - The Marquetarian

Transfiguration - icon

marquetry (artistic wood mosaic)

Natural wood veneer

The work is based on a Biblical story: not long before His passions
Jesus Christ ascends the Mount Tabor with His disciples,
where He shows them His divine glory through His transfiguration.
“And his face did shine as the sun: and his garments became white as snow,” -
the author shows this in his work masterfully.

The inner shine coming from the Saviour seems to prove that
“You are truly the brightness of the Father.”

Despite the size and grandeur of the work,
its space is filled with air and inner light giving a sense of lightness,
peace, and divine grace.
